

Sl. No.	Date	Title of the Training	Category (F&FW/R/Y/IS)	No. of Participants
1	30.04.2022	Integrated Nutrient Management in Okra	F/FW	30
2	25.05.2022	Chilli hybrids with their Characteristics	F/FW	30
3	10.06.2022	Integrated Nutrient Management in Coconut	F/FW	30
4	08.07.2022	Methods of Application of Micro-nutrients in Bittergourd	F/FW	30
5	15.07.2022	Pollination technique in Pumpkin	F/FW	30
6	05.08.2022	Integrated Nutrient Management in Brinjal	F/FW	30
7	22.08.2022	Integrated Nutrient Management in Betelvine	F/FW	30
8	12.09.2022	Integrated Nutrient Management in Arecanut	F/FW	30
9	26.09.2022	Application of water soluble fertilizer NPK(19:19:19) in	F/FW	30
10	10.10.2022	Bio-fertilizers and their use in chilli	F/FW	30
11	20.10.2022	Application of Micro-nutrient mixture in Cabbage	F/FW	30
12	10.11.2022	Plant growth hormones and their use in cucurbits	F/FW	30
13	06.01.2023	Tomato varieties suitable for Summer season	F/FW	30
14	13.06.2022	Management of micronutrient deficiency in rice crop	F/FW	30
15	17.06.2022	Use of soil health card for balance dose of manure and fertilizer application	F/FW	30
16	06.07.2022	Management of secondary and micronutrient deficiency in rice crop	F/FW	30
17	13.07.2022	Use of secondary and micronutrient management in Cucumber	F/FW	30

18	14.09.2022	Methods of compost preparation	F/FW	30
19	28.10.2022	Use of biofertilizer in brinjal crop	F/FW	30
20	04.11.2022	Use of micro nutrient in cole crops	F/FW	30
21	18.11.2022	Use of soil health card for balance dose of manure and fertilizer application	F/FW	30
22	04.01.2023	Use of secondary and micro nutrients in cucurbit crops	F/FW	30
23	10.01.2023	Use of Biofertilizer in pulse crop	F/FW	30
24	21.12.2022	Technique of soil sample	F/FW	30
25	13.02.2023	Management of acid soil	F/FW	30
26	15.03.2023	Management of saline soil	F/FW	30
27	08.06.2022	Pre-stocking management in fish culture pond	F/FW	30
28	22.06.2022	Integrated fish farming	F/FW	30
29	03.08.2022	Nursery rearing method in fish culture pond	F/FW	30
30	03.09.2022	Culture practice of stunted fingerlings	F/FW	30
31	04.11.2022	Culture practice of Amur carp along with IMC	F/FW	30
32	26.07.2022	Liming and manuring in fish culture pond and its importance	F/FW	30
33	10.10.2022	Preparation method of Fish and prawn pickles	F/FW	30
34	28.06.2022	Culture of catfishes in biofloc tank system	F/FW	30
35	07.12.2022	Yearling culture and its benefits in fish farming	F/FW	30
36	07.09.2022	Effective feed management in fish culture pond	F/FW	30
37	28.12.2022	Integrated fish farming	F/FW	30
38	29.06.2022	Application of Bio intensive measures for control of rice pests	F/FW	30

39	13.07.2022	Management of white fly in Okra	F/FW	30
40	03.08.2022	Management of Sheath Blight in Rice	F/FW	30
41	07.09.2022	Management of white grub in Coconut	F/FW	30
42	14.09.2022	IPM for management of BPH in paddy.	F/FW	30
43	12.10.2022	Management of Phomosis blight in brinjal	F/FW	30
44	19.10.2022	Management of Neck blast in rice	F/FW	30
45	04.11.2022	Use of control measures against leaf minor in	F/FW	30
46	02.12.2022	Application of chemicals for vector control in green	F/FW	30
47	04.01.2023	Application of chemicals for vector control in Brinjal	F/FW	30
48	13.02.2023	Use of Botanicals & Chemicals for management of sucking pests in Chili	F/FW	30
49	15.03.2023	Use of control measures against Diamond Back Moth in Cabbage	F/FW	30
50	05.08.2022	Use of 4-row paddy drum seeder in paddy for drudgery reduction of farm women	F/FW	30
51	27.07.2022	Paddy straw mushroom cultivation by using loose straw by farm women	F/FW	30
52	30.06.2022	Cultivation practices of Milk mushroom	F/FW	30
53	21.12.2022	Preparation of value added products from Oyster mushroom	F/FW	30
54	30.08.2022	Caning & packaging of Paddy straw mushroom	F/FW	30
55	20.08.2022	Planning,layout and designing of nutritional garden	F/FW	30

56	16.11.2022	Preparation of value added products from seasonal fruits and vegetables	F/FW	30
57	02.11.2022	Using diff. substrates for Oyster mushroom cult.	F/FW	30
58	12.12.2022	Farm implements used in paddy for drudgery reduction of farmwomen	F/FW	30
59	28.10.2022	Process of minimization of nutrient loss in food processing	F/FW	30
60	14.07.2022	Designing and development for high nutrient efficiency diet	F/FW	30
61	07.12.2022	Method of preparation of low cost diet for farm family	F/FW	30
62	27.07.2022	Field Preparation Machinery	F/FW	30
63	13.08.2022	Use of Rotavator and safety measures	F/FW	30
64	03.08.2022	Use of rice Transplanter	F/FW	30
65	05.09.2022	Use of Power Sprayer	F/FW	30
66	14.09.2022	Use of Solar Pump	F/FW	30
67	21.09.2022	Use of Power Weeder for weeding	F/FW	30
68	25.11.2022	Use of Tractor Operated Axial Flow Paddy Thresher	F/FW	30
69	15.03.2023	Use of Mini Dal Mill	F/FW	30
70	12.12.2022	Use of Mini Rice Mill	F/FW	30
71	03.09.2022	Use of Coconut Dehusker	F/FW	30
72	13.02.2023	Use of Groundnut Decorticator	F/FW	30
73	12.10.2022	Use of Drip Irrigation in fruits and vegetables	F/FW	30
74	09.02.2023-10.02.2023	Nursery raising technique in vegetable crops using Pro-trays	RY	20
75	06.03.2023-07.03.2023	Propagation of Fruit crops using grafting & budding techniques	RY	20
76	10.01.2023-11.01.2023	Entrepreneurship development through Bee Keeping	RY	20

77	15.02.2023- 16.02.2023	Entrepreneurship development through Production of Organic inputs	RY	20
78	21.09.2022- 22.09.2022	Natural Farming for Sustainable Agriculture	RY	20
79	19.10.2022- 20.10.2022	Technique of Vermicompost production	RY	20
80	04.01.2023- 05.01.2023	Culture practice and Breeding methods of Ornamental fish.	RY	20
81	02.02.2023- 03.02.2023	Preparation of value added products from Fish and Prawn	RY	20
82	04.08.2022- 05.08.2022	Spawn culture preparation	RY	20
83	29.12.2022- 30.12.2022	Preparation of value added products from Oyster mushroom	RY	20
84	02.11.2022- 03.11.2022	Operation and Maintenance of Micro-irrigation	RY	20
85	08.12.2022- 09.12.2022	Tractor System and control	RY	20
86	27.01.2023- 28.01.2023	Use of soil health card for balance dose of manure and fertilizer application	IS	20
87	15.03.2023- 16.03.2023	Use of Newer molecules for management of insects pests in vegetables	IS	20
88	29.11.2022- 30.11.2022	Gender mainstreaming through SHGs	IS	20
89	21.12.2022- 22.12.2022	Farm Mechanization for Commercial Agriculture	IS	20
90	15.12.2022- 16.12.2022	Importance of Natural farming in vegetable crops	IS	20
